Riley Coombes

Aspiring Electrical Installation Apprentice

EMAIL RILEYCOOMBES1@GMAIL.COM BASED MIDDLETON, MANCHESTER PORTFOLIO RILEYCOOMBES.COM

Profile

Motivated and reliable 16-year-old studying Level 2 Electrical Installation at Bury College, seeking a Level 3 electrical installation apprenticeship from summer 2027. In the college workshop I have wired radial and ring final circuits and installed conduit and trunking, and in the summer of 2026 I helped to prepare a rental property for tenants. Training and playing for two teams three times a week has given me discipline, teamwork and excellent timekeeping.

Education

SEPTEMBER 2026 TO SUMMER 2027

Level 2 Electrical Installation, Bury College

- Wired a radial circuit and a ring final circuit, fitting two double sockets and a fused spur.
- Measured, bent and installed conduit and trunking.
- Currently learning safe isolation and inspection and testing.

LEFT JUNE 2026

GCSEs, Middleton Technology School

Mathematics 4, **English 4**. Also studied Combined Science, History, PE, Engineering and German.

Experience

SUMMER 2026

Property Preparation Assistant

Helping a neighbour prepare a house ready to be rented out.

- Prepare rooms and surfaces for decorating: sanding, filling and painting walls, ceilings and woodwork.
- Carry materials and keep the property clean and tidy throughout the job.
- Use hand tools safely, follow instructions and work to good health and safety practice.

CURRENT

Footballer, Walshaw and Rochdale Futsal

- Walshaw: train every Thursday and play matches on Saturdays.
- Rochdale Futsal: train every Friday with the first team.
- Balance three sessions a week alongside college and work.
